said there is trouble in the house. She informs me that this was about 11 A.M.

October 23rd, 1922. Went to Mr. Gifford's office was told he was out. Then to see Mr. Eagen and he informed me that in order to get a copy of the telegram I would need a letter from the administrator. On this day I also secured a statement from James Mills in the study at the church which other reports contain.

October 24th, 1922. Statement from Louise Geist. Finished her work at the supper table at 7:55 P.M., then to the back stoop. Maria was in the kitchen. Maria there until 8:30 P.M. Louise there until 9:15 P.M. Last time Louise saw or heard from Mrs. Hall or Willie 7:55 P.M. This was the time when Louise went out on the back stoop. At about 9:30 P.M. Mrs. Hall rang the bell for Louise, did some work to prepare the house for closing up and went to bed about 10: P.M. Louise saw Mr. Mills at the house on Saturday about 10 A.M. Barbara disagrees with Louise and says she thinks that it was on Friday.

On this day I went to Mr. Tingle's house, and was informed that he moved. Interviewed a Mr. Dwight Green above De Russey's Lane who says he heard no shots. On this day, I also interviewed Mr. and Mrs. Hoag as reports will show.
